|  <b>synerzine</b> <sup>TM</sup> | <b>Title:</b> 9.23E-92 Product Specification |                     |
|                                                                                                                  | <b>Document #:</b> 02-1006                   | <b>Rev #:</b>       |
|                                                                                                                  | <b>Status:</b> ACTIVE                        | <b>Date Issued:</b> |

### Product Identifiers

|               |  |
|---------------|--|
| Product Name: |  |
|---------------|--|

|                  |                 |       |  |        |  |
|------------------|-----------------|-------|--|--------|--|
| Synerzine Item # | <b>9.23E-92</b> | CAS # |  | FEMA # |  |
|------------------|-----------------|-------|--|--------|--|

### Material Properties

|                   |  |                      |  |
|-------------------|--|----------------------|--|
| Molecular Formula |  | Flash Point (°F, CC) |  |
| Molecular Weight  |  | Boiling Point        |  |
| Shelf Life (days) |  | Physical State       |  |

|                       |  |
|-----------------------|--|
| Solubility            |  |
| Storage and Stability |  |
| Handling Precautions  |  |

### Specified Critical Limits

| Critical Property | Test Method             | UOM                    | Lower Limit | Upper Limit |
|-------------------|-------------------------|------------------------|-------------|-------------|
| Color             | Visual Analysis         | None                   |             |             |
| Odor              | Organoleptic Analysis   | None                   |             |             |
| Chemical Purity   | Gas Chromatography      | #N/A                   |             |             |
| Density           | Density Analysis        | g/cm <sup>3</sup> @ °C |             |             |
| Refractive Index  | Refractometric Analysis | nD                     |             |             |

### Notes

|      |
|------|
| #N/A |
|------|

*This specification was generated electronically, and is therefore unsigned.*
