## GMO-Free Statement

|                  |                                       |       |           |        |      |
|------------------|---------------------------------------|-------|-----------|--------|------|
| Product Name:    | 2,5-DIMETHYL-4-HYDROXY-3(2H) FURANONE |       |           |        |      |
| Synerzine Item # | <b>W0453</b>                          | CAS # | 3658-77-3 | FEMA # | 3174 |

The above product offered by Synerzine conforms to the following conditions:

1. Is not composed of nor derived from genetically modified organisms, flavors, additives, foodstuffs and/or food ingredients, including those within the meaning of Council Directive 2001/18/EC, article 2(2).
2. Has not been manufactured using either substances that are composed of or derived from genetically modified organisms, nor with technical processing aids obtained from GMOs, including enzymes and extraction solvents.
3. Contains neither protein nor DNA that has been genetically modified.
4. Is not subject to the traceability and labelling requirements as intended under articles 4 and 5 of Regulation (EC) No 1829/2003 on 'genetically modified food and feed', both published 18 OCT 2003.

Based on the above requirements, this product is considered to be GMO-FREE.
