| Product Name:    | 2-ACETYL-1-METHYL PYRROLE |       |          |        |      |
| Synerzine Item # | <b>R722A</b>              | CAS # | 932-16-1 | FEMA # | 3184 |

The above product offered by Synerzine conforms to the following conditions (in accordance with the requirements for organic certification):

1. The ingredient listed above is a synthetic not listed under 7 CFR 205.605(a) [i.e. benzoates, sorbates, BHA/BHT, etc.].
2. This product is not produced with the use of synthetic solvents.
3. This product is not composed of nor derived from any genetically modified organisms (GMO).
4. This product has not nor have its ingredients been subjected to ionizing radiation.
5. This product has not nor have its ingredients been produced or handled using sewage sludge.

Based on the above requirements, this product is considered to be GMO-FREE and ORGANIC COMPLIANT, and does not need to be labelled as Genetically Modified according to European Community Regulations n° 1829/2003 and 1830/2003.
